

# Quality Improvement Plan Summary

## Aldgate Kindergarten

Goals	Challenge of Practice	Success Criteria
Increase children’s ability to engage in sustained, purposeful play and learning experiences with others.	If we consistently use intentional teaching of feelings, regulation strategies and social skills, then children’s ability to engage in sustained, purposeful play and learning experiences with others will increase.	Through analysis of pedagogical documentation, we will see children: <ul style="list-style-type: none"> <li>• show an increasing capacity to understand, self-regulate and manage their emotions that reflect the feelings and needs of others (EYLF learning outcome 3.1)</li> <li>• confidently explore and engage with social and physical environments through relationships and play (EYLF learning outcome 1.1)</li> <li>• take responsibility for their own learning, and engage in reciprocal learning relationships (EYLF learning outcome 4)</li> </ul>

National Quality Framework Priorities	Key steps
Improve parent and family engagement in the learning program, and decision making about their child’s education (Parent Opinion Survey responses and result of interrupted 2022 due to COVID)	Parent info session held by mid term1 - clearly communicate what to expect, how to become involved, how their child’s progress will be documented and where. Request feedback via termly “Forms” survey re levels of engagement from parent perspective. Programme overview emailed, posted to Seesaw and on noticeboard, invite feedback/contributions. Ensure both/all parents connect to Seesaw and on email list. Learning journals sent home every holiday break; encourage families to contribute/comment. Focus teachers provide termly feedback to all families.
Refine data collection processes to inform responsive teaching and learning	Use <u>updated</u> data schedule including “child voice”, to consistently & regularly check in re all children’s learning and development. Clearly communicate to families, requesting & using their input. Clearly communicate schedule to all staff, allocate responsibilities & provide adequate time. Check in at each staff meeting and PDP reviews.
