Can we suggest...

You give your child the toy at a special or quiet time.
Toys are stored in the bag or container provided. This helps keep the pieces together.
Toys are kept in a separate place at home to encourage respect and care for them.
You check all pieces are included before return.

Please...

- Clean toys before returning
- Notify the library volunteer if a toy has been damaged or a part is missing as toys cannot go back into circulation unless complete
- Donations of toys are gratefully accepted if they meet safety requirements

Hills Community Toy Library

Fantastic for kids

Perfect for parents & grandparents

Come for a visit!

Lending you quality toys for fun, creativity & learning

Our Toy Library

Our toy library lends out a variety of educational toys, puzzles and games on a regular basis to parents, grandparents and carers.

We aim to support families and encourage them to spend time playing with their children.

Quality toys are expensive and children can become bored with a toy after only few days. It's not always a smart purchase!

By regularly borrowing our toys, you'll save lots of money and significantly contribute towards the development and education of your children.

Our toys and games will assist in your child's growth in language, numeracy, coordination, motor development, imagination, creativity and social & emotional development.

How to join & borrowing info

Joining

Complete a membership form at the front counter with payment & photographic ID.
